Please confirm whether you want to stay in your current time slot or class or if you want to change.

I have talked to many of you already and if you have received an email confirmation from me about your new class and time slot then you are good to go.

If you see a time/class you would like to move into please email me at [agilk9s@frontiernet.net](mailto:agilk9s@frontiernet.net) immediately about availability.

There are some classes that are not confirmed full but may in fact be full. Only the confirmed full classes are listed as full in this email.

The great news about having a permanent building is that I can offer more classes and I can be more specific about the class levels/topics! So there will be some fine-tuning with the classes. I am planning on adding more classes once I get the current schedule set.
